

Work party request

All members are welcome. We will be clearing the West end along the fence. Anybody who has lawn trimmers (edger, string cutters) that are willing to bring them will be greatly appreciated. The field will be closed for flying during the hours of 8am till 10am. Special thanks to the volunteers who have already signed up for the job, you are the backbone of the Club.

We could really use your help. Please show your support.

When: Saturday May-19th

Where: RCACF Clubhouse

Time: 8AM to 10AM. (please arrive a little early)

What to bring: Lawn trimmers, Edgers, Cutters, Gloves.

We are trying to get together a cook-out or maybe lunch at a local Diner for all that help. More to follow.

Hope to see you there.

Gary Zaffino
